

ACCOMMODATION

EN As Granada is a university city, with over 70.000 students, many families rent rooms to students. We avoid placing our students with these families as there tends to be less personal contact – which we consider to be one of the most important aspects of lodging with a Spanish family.

We ensure that any other students lodging with the same family are of a different nationality and that the accommodation is less than a 15 minute walk from the school. Our accommodations are basic, but clean and fully equipped. Just like the average Spanish middle-class-family.

ES Granada es una ciudad universitaria con más de 70.000 estudiantes y muchas familias les alquilan habitaciones. Intentamos no alojar a nuestros estudiantes con esas familias puesto que el trato tiende a ser menos personal y consideramos que es uno de los aspectos más importantes al alojarse con una familia española.

Si hay más estudiantes alojados con la misma familia nos aseguramos de que sean de distintas nacionalidades y que la ubicación esté a menos de 15 minutos andando de la escuela. Nuestros alojamientos tienen lo básico, pero están limpios y totalmente equipados. Igual que viven las familias españolas de clase media.

COURSES

EN| We want you to learn Spanish to be able to use it in real life situations from day one. Therefore in our courses the four language skills speaking, listening, writing and reading are integrated in the same way you encounter them in real life. Our students may have different needs and want to learn for different reasons, so we are able to adapt to each student's requirements and help them progress quickly and efficiently. This is why we believe in small groups which allows for personal attention.

ES| Queremos que aprendas español para que puedas usarlo en situaciones reales del día a día. Por eso en nuestros cursos la comprensión y la expresión oral y escrita están totalmente integradas de la misma forma que las necesitarás en la vida real. Nos adaptamos a la evolución en el aprendizaje de cada alumno porque sabemos que cada persona estudia español por diferentes razones o necesidades. Esta es la razón por

la que trabajamos en grupos reducidos, ya que permiten más atención personal.

ACTIVITIES

EN| Learning the Spanish language goes hand in hand with learning about the Spanish culture. And the best way to learn about a culture is to experience it first-hand. That is why we like to take our students out and show the best the Spanish culture has to offer in Granada. During the activities you will also get to know other students, the school staff and teachers.

Due to Granada's geographical location, we are able to offer a wide range of excursions from skiing in the Sierra Nevada Mountains to sailing at the Tropical Coast. For more info about life at Linguaschools Granada, check out our blog www.linguaschools.com/blog/granada

ES| Aprender la lengua española significa aprender la cultura española también. Y la mejor forma de aprender sobre una cultura es experimentarla en primera persona. Por eso nos gusta salir con nuestros estudiantes y mostrarles lo mejor de la cultura española que ofrece Granada. Con estas actividades podrás conocer a otros estudiantes, al personal de la escuela y a los profesores.

Gracias a la ubicación que disfruta Granada, podemos ofrecer una amplia variedad de excursiones para esquiar en Sierra Nevada o para navegar en la Costa Tropical, por ejemplo.
