Courses for Kids and Teenagers

Our language classes feature engaging activities that emphasise communication and the core skills (Speaking, Writing, Reading and Listening) whilst building knowledge of key grammar and vocabulary.

Materials are designed specifically for kids and teenagers and offer interesting project based activities via a topic based syllabus. For language students aged 16-17 we also offer exam preparation in some centres (see our Young Achievers Exam Course).

Classes are held in our modern school buildings. We also use the local city as a classroom. Many lessons are linked to activities where students interact with local people and learn about the history and culture of the location whilst they develop their communication skills.

The scheduling of lessons and activities may vary. For an up-to-date schedule check with the school when booking. Full supervision provided during scheduled activities, class time and in accommodation. Students will travel to and from school unsupervised, often in pairs or small groups.

Future Leaders

As well as General English courses for juniors, LSI offers a Future Leaders programme where students develop transferrable skills crucial to succeed in later life. These are life and career skills including: leadership, responsibility, initiative, and resilience; as well as critical thinking, collaboration and communication skills.

Core English lessons improve students' receptive and productive language skills and develop their ability to communicate effectively in English. But as well as refining and deepening the students' knowledge and application of the English language, this course looks ahead to their adult life. Three carefully designed workshops per week develop the leadership skills considered to be important not only for business managers but also for any role that require working in a team &/or managing other people. This is a course designed to prepare ambitious, more mature teens for a global, competitive and fast-changing world.

In addition, students participate in a varied cultural and social activity programme appropriate to their age. These activities improve knowledge of the local way of life, encourage the respect of other people's cultures, and help to motivate students to carry on studying English after they leave the course. Activities are organised and supervised by LSI staff and allow students to enjoy and strengthen their new friendships in a more informal, relaxed and sociable setting.

Ultimately, the aim of the course is to help our students reach their full potential in their personal, social, academic and professional lives, while having fun in a safe environment. We want our students to have experiences that they will always cherish, to improve their self-confidence, to be happier, and more successful citizens.

Student Welfare

The safety and well-being of students in our care is our top priority. All LSI centres work with local and national agencies to ensure that we maintain the highest industry standards in safeguarding and child safety.

Students are supervised both in the classroom and on social activities. School staff are available to both students and parents at all times. LSI also provides trained welfare officers in all our schools to offer any additional support required by the students.

Security is also a priority when selecting the right kind of accommodation for our Junior students. LSI homestays are carefully selected and regularly visited by a trained member of staff, while our student residences provide 24 hour supervision.

In Canada, for students under the age of 18 travelling without a parent or guardian and coming from countries requiring visas to enter Canada, Canadian embassies may require custodianship forms. LSI offers custodianship services.

To ensure student welfare there is a 10pm* curfew, unless students are on a supervised LSI activity. Valuables such as passports and airline tickets may be left with the centre manager on the student's first morning, to be kept securely locked in the school.

- Student Welfare & Safeguarding
- School Student Welfare & Safeguarding policies and procedures are evaluated by local accreditation agencies
 - Each school has dedicated Student Welfare & Safeguarding Officers
 - LSI homestays and staff are subject to background checks
 - Students have strict curfew times
 - The school has a 24 hour emergency telephone number
 - Students must sign a code of conduct. This ensures safety, enjoyment of the course for all participants and protects against bullying, both in school and on-line
- Please note, students are not supervised by LSI staff on journeys to and from school and on journeys home from activities.

Social and Cultural Programmes

To compliment our language programme for kids and teenagers, we offer an exciting mixture of fun social activities to make sure your child gets the most from their stay.

These fun, educational activities ensure that our young learners develop their language skills both inside and outside the classroom. They will discover more about their host country, the culture and people. They will mix with their peers from around the world, making new friends and practicing the language in a natural environment.

Our structured activities are fully supervised allowing parents and guardians to have complete peace of mind. Social programme leaders are selected for their enthusiasm, energy and caring attitudes and crucially enjoy working with kids of all ages. In some locations, students on the residential and non-residential programmes take classes and activities together. All residential programmes include additional evening activities.

Please see example schedule opposite:

Homestay Accommodation

Our students stay with carefully selected homestay hosts in the neighbourhoods around the language school. Some hosts are further away, but commutes are generally simple and will be explained on the first day by homestay hosts. Meals are provided every day and laundry, towels and bed linen will be changed weekly.

Students stay in twin rooms and are matched by age and gender. When possible, we match students from countries where different native languages are spoken. If we have an odd number of students booking twin rooms, it is possible that a student may stay in a single room for no added cost. If you would like to book a single room, this may be available at some centres. Please contact the school for further details.

Residential Accommodation

LSI operates residence based summer camps for kids and teenagers in a number of locations around the world. All our residences are modern, comfortable and safe, conveniently located in and around city centres. Students stay in fully furnished, single or shared rooms. Most bedrooms are singles with private, en-suite bathrooms.

LSI staff also live in the residences, providing 24-hour care. The staff-to-student ratio is high and we are always available if you have any questions or need help. Activities are organised for students staying in residential accommodation on most evenings.

Lessons may take place at the residence or at a nearby year-round LSI school. Residential accommodation is recommended only to independent students who are mature and responsible. Please add a note to your enrolment if you prefer a certain room type.

- Central accommodation in comfortable and secure buildings
- LSI staff living on-campus, providing 24-hour supervision
- Mainly single bedrooms with some twin bedrooms available on request
- Private ensuite bathroom and showers - a few are shared with 3 or 4 others
- All meals included at the residences, at the school or in a convenient location nearby
- Laundry facilities on site - you must do your own washing and additional fees may apply
- A change of bed linen once per week

Family Programme

LSI Family Programme

Designed for parents who wish to combine a family holiday with their language studies, the LSI Family Programme allows parents to choose from a wide selection of adult courses while their children follow one of LSI's specialised language programmes for juniors. Classroom activities and teaching methods are specially adapted to suit both adults and children, ensuring that the whole family will have fun while learning.

The family programme is offered in all LSI schools where the Juniors programme is run.

LSI Family Programme for Younger Juniors (6–11 years)

For our youngest students (6 -11 years), LSI runs a summer family programme at San Diego, Toronto, Brighton, Cambridge (9-11 years) and London Hampstead. A winter programme is also available at London Hampstead and San Diego. In most locations, the programme is offered on a course only basis except for Cambridge where it is offered with optional activities. Our school in San Diego can also organise an activity package on request.

Depending on the family size and availability, LSI can organise accommodation in a homestay or in apartments. Our centre in San Diego also offers an on-site child care option for children under 6 years of age with qualified teachers who will provide age-appropriate lessons, activities, and crafts in a fun and nurturing environment. The younger children may also accompany their siblings and parents on activities and excursions, such as the San Diego Children's Museum, Balboa Park, and San Diego Zoo.

"A very good course and a creative way to improve your English, with lots of kind and helpful teachers!"
