

Activities

M.I.I.L.A. organizes activities and excursions on a regular basis. Activity calendars are posted on the student bulletin board every session and you can register any time. We often hold information sessions in the student lounge so that you can find out more about each activity. We strongly encourage you to participate in as many activities as possible, as activities are a great way to practice the language outside the classrooms, to make friends, and to discover your new host country. When you go home, you will have tons of pictures to show your friends and unforgettable memories!

Some of our activities may include: weekend trips to New York City, Boston, Quebec City, Ottawa, Toronto and Niagara Falls; whale watching in Tadoussac; skiing at Mont Tremblant; hiking, camping or canoeing in one of the famous national parks; ice skating in the Old Montreal; happy hour parties (for students 18 years or older), singing at karaoke bars and dancing in nightclubs; and so much more!
