## ABOUT US

Mandarin Inn is a leading company in global communication and language training. We are committed in helping people learn the language and behavioral skills they need to develop in cross-cultural work environments. Our service is aimed to help enterprises break cultural barriers and unleash the full potential of their global teams.

In the constantly changing market environment, our mission is to assist enterprises in improving team culture, enhancing business communication skills, building efficient teams, opening up paths to global business success, and achieving regional and global business goals through continuous innovation and excellent execution. We constantly strive to exceed our limitation and become a trusted long-term partner for our clients.

Since our establishment in 2008, we have acquired global acknowledgement and trust for our excellent quality and customer service.
