Maximo Nivel's service learning programs in Costa Rica, Guatemala, and Peru provide unique opportunities to live and work in Latin America, while giving back to the global community and immersing yourself in the local culture.

Have you dreamed about traveling to a developing country, spending your time in a meaningful way, and immersing yourself in a new culture? Service Learning is a life-changing experience where you expand your horizons in a way that could never be achieved in a classroom.

Make a difference and have impact!

Maximo Nivel has been offering volunteer programs since 2003. We are a locally-based organization in Costa Rica, Guatemala, and Peru. We're the real deal — we're a feet-on-the-street, live here, work here kind of organization. We offer top-notch volunteer abroad programs and great client service. Our program fees are affordable and transparent.

Maximo Nivel's volunteer programs take place in Antigua, Guatemala; Cusco, Peru; Manuel Antonio, Costa Rica; and San Jose, Costa Rica. We also have off-site programs on the Pacific and Caribbean coasts of Costa Rica and Guatemala, and in the Amazon Jungle and Sacred Valley of Peru. Experience Central America, South America, or become a "country-jumper" and experience all of Latin America!

We understand it's challenging to plan a trip abroad and to find real opportunities to make a difference and have impact — so join us in Costa Rica, Guatemala, and Peru and let us show you how.

Costa Rica—is known for having progressive environmental and social policies, and is widely considered one of the planet's most sustainable countries. At the same time, Costa Rica is still a developing country with a low national income and a number of socio-economic issues.

Guatemala— has the largest economy in Central America, but it still more than half the population lives in poverty as the country works to improve political organization and social justice.

Peru—is one of the world's richest countries in terms of natural resources, but it's social development has not kept pace with its commercial development. Peruvians still wrestle with illiteracy, social justice and visitors are often taken aback by the tremendous differences in socioeconomic levels.

Academic Credit—Two ways to get university credit:

1. Your University — Maximo Nivel works with faculty leaders, Study Abroad offices, and Registrars to pre-approve academic credit. We provide official transcripts.

2. Official School of Record — Maximo Nivel offers academic credit through our official School of Record. The School of Record verifies our courses and provides official transcripts to your university.
