# SURFING IN GUATEMALA - \$995

Our Guatemala surf school is, in fact, located in El Zonte, El Salvador. Our staff pick you up at the airport, and take you just over the border. You not only escape for a beach getaway, but experience another country and culture in addition to Guatemala. El Zonte, a small village divided by the mouth of a river, offers a relaxing atmosphere and is home to many local surfers. Outside of surfing, enjoy hanging out by the hotel pool, kicking back in a hammock, and taking in the ocean view.

## The week-long surf school package includes:

- Airport pick-up in Guatemala City
- Round Trip Shuttle bus transportation (between La Antigua and El Salvador)
- English-speaking, certified instructor
- Surf equipment rental
- 9 hours of one-on-one surf instruction
- 6 nights of housing
- 3 meals per day at hotel restaurant in El Salvador

Depending on field conditions and travel logistics, the surf school is sometimes moved to the well known El Paredon surf destination on Guatemala's Pacific coast, with uncrowded, black sand beaches, easy waves and great instructors.
