*As a mother sending her son overseas, I was extremely nervous and worried. However, seeing how my son Bader enjoyed being at MIA, all my worries were gone. My son kept telling me how helpful the MIA staff were. My experience with this fantastic school has been flawless. I truly believed my son was in a safe and loving environment and I highly recommend MIA for all parents sending their children overseas for a good education.*

*A year of studying and living experience at MIA made me witnessed own growth and development.*

*I was impressed with how teachers put effort into teaching as well as how they work in a happy and passionate way. I built a deep relationship with friends and teachers as time went on and I truly love them. When I flashback to the time that I was there, all I think about is happiness.*
