# Meiji Academy - Your Gateway to Japan

Meiji Academy opened its gates to our awesome students in Fukuoka back in 2014. Unlike most other Japanese language schools, Meiji Academy was founded by an international team of young and passionate graduates, who know first-hand what the challenges of studying and living in Japan are.

Unfortunately, common problems at many Japanese schools are: Large classrooms, fixed curriculum, no learning flexibility and no personalized services, to name a few. Not with us! Meiji is tailored towards the needs of our international students focusing on small classroom sizes, personalized services and individually customized time schedules to meet your study goals.

**We hope you will experience by yourself what it means studying with Meiji and looking forward welcoming you in sunny Fukuoka!**
