Spanish & Maya Immersion

IMMERSE YOURSELF AT NA'ATIK

Na'atik is a non-profit language school in the heart of the stunning Yucatán Peninsula in the small, safe, colorful town of Felipe Carrillo Puerto, an hour south of Tulum.

Our culturally immersive language program provides a true intercultural experience by showing international Spanish and Maya language students the real Zona Maya--it's not just ruins!

Our name comes from the Maya expression "To'on Na'atik" meaning "we're understanding each other." We believe that cross-cultural exchange is the key to true understanding. It is only once we understand each other that we can see what is really possible.

LANGUAGE LEARNING IN ZONA MAYA

Our immersion program gives you the chance to really learn Spanish or Maya by both taking classes and living with a local host family in our Mexican-Maya town. We welcome students from all walks of life: families, students, professionals.

18 HOURS OF LANGUAGE CLASSES PER WEEK

The standard schedule is 18 hours of class per week. We guarantee individualized attention from native speaking teachers, with no more than five students to a class.

HOMESTAY ACCOMMODATION

Homestays are our primary accommodation option. Stay with a local host family and enjoy three delicious home-cooked meals per day. Mealtimes are an excellent opportunity to practice your language skills and learn more about the culture in the Zona Maya.

OFF THE BEATEN PATH

Felipe Carrillo Puerto is a small, historical town located in the state of Quintana Roo, Mexico. It is an extremely safe and friendly town and since we are near the tourist circuit, but not on it, you will rarely hear English spoken in the street, making it an ideal place to be immersed and improve your language skills!
