

About Oficina de Português

Oficina de Português (OdP) is devoted to teaching Portuguese as a foreign language since 2009. Learning Portuguese with us equals to speaking Portuguese in the shortest period of time possible. OdP boosts your Portuguese learning experience by planning interesting, dynamic and pragmatic lessons and at the same time by taking you on small trips or tours in Porto.

We make sure our Portuguese courses perfectly match our students' needs! For those who come in vacation, Standard or Intensive Portuguese +5 and +10. A City Break for those who come with friends and family but only have time for a weekend, or even for Erasmus Students, who have different needs. Erasmus Portuguese, Part-Time Portuguese and Extensive Portuguese are meant for those who study, work or live in Porto.

And for the ones who want a more personal experience there's always a Tailor Made Programme!

Até breve!
