

DESCRIPTION

Make the most of your stay in New York with carefully selected Homestay accommodation. You will feel at home and be able to practice your English in friendly surroundings. You will have your own room, and you can choose between two meal options: breakfast only, or breakfast and dinner. Homestays in Manhattan are high in demand and we recommend you book them as early as possible. Shared rooms are only available if you are coming with another person at the same time and leaving at the same time, these are only available outside of Manhattan or above 110th Street.

You share a home with your host but have your own private room. Our homestay hosts are carefully chosen by our Student Services Team for their friendliness and experience in looking after international students. All homestay accommodation is within easy travelling distance of the school.
