Spanish School

*Live the real Spanish experience!*

# About us

Oléolé School is a modern Spanish School located in the city centre of Málaga that receives more than 100 foreign students per year, mainly from Europe (Germany, France, Portugal and Italy) and Asia (China, Taiwan, Korea and Japan).

We use a communication focused method that makes learning Spanish a great experience at any age. We are a young and very dynamic school and our goal is for you to have fun while learning Spanish with us! Our staff can give you support in different languages such as: English, Chinese, Korean, Japanese and Russian.

All of our teachers are experienced university graduates specialized in teaching Spanish as a foreign language utilizing the most current and innovative methods of teaching. They are also accredited and trained for the preparation of official DELE certificates of Instituto Cervantes.

# Why studying with us?

## **Location and Access**

Unlike most Spanish schools in Málaga, Oléolé is located in the heart of the city. It is just a 10 minute walk from main train and underground stations, many bus stations, major shopping centers (Corte Inglés, Larios Centro, Málaga Plaza, Vialia) and only 15 minutes walking from downtown. Our school is without a doubt in one of the best locations in the city of Málaga. Transportations options are endless!

## **We want you to experience Spanish!**

Our methods are focused on the communicative side of Spanish. Our classes are participative and entertaining. We take students to the street to communicate with local people in real situation so that students truly feel they are learning to communicate instead of being trapped in a classroom all day long!

## **We want you to mingle with the Spanish people!**

We offer an exceptional environment for a true exchange experience. Since our Centre also offers Asian languages courses, there are plenty of opportunities to meet Spanish students willing to practice the language and introduce you to other locals. This is the best way to learn Spanish and get to know Málaga, like a true Andalusian!

# Our Facilities

Our modern facilities are equipped with:

- Bright classrooms equipped with heating, air conditioning as well as modern and functional desks
- Free WIFI
- A larger multi-purpose room for cultural activities, workshops, exhibitions etc.
- A “Meet & Rest” area where you can hang out with other students and have a coffee before your next lesson
- A library and reception with resources that may be useful for your self-learning experience
- A classroom equipped with a 55” full HD Screen for Video sessions and online classes.

# Our Method

Our communicative teaching method is mostly based on conversations in order to learn Spanish in a more fluid and natural way. We want you to take a proactive role in our classes and to have a unique experience of learning Spanish. This is why our lessons are taught both inside and outside the classrooms.

You will experience the language using in the daily life of native Spanish. Our teachers will guide you every step of the way! Don't worry, we do teach grammar, and our goal is for you to learn to communicate both in oral and written.

Our courses are always taught in small groups so that you will feel comfortable while also enjoying enough attention.

*Lose the fear of speaking Spanish and learn how to use it in any situation whatever your level may be!*

# Spanish Courses

## Intensive courses

This is our most popular course. Designed to learn the language as quickly as possible, it perfectly combined with leisure time in the afternoons as lessons will be taught in the mornings. It includes 20 lessons per week from Monday to Friday.

## Intensive courses + private lessons

This is the same as the intensive course with an additional private lesson per day. This course is aimed at those who are looking to learn the language and build on specific areas while also addressing weak points in a one on one session. This course includes 20 group lessons plus 5 private lessons per week.

## Courses for professionals

Oléolé offers Spanish courses aimed for professionals who need to learn the language for business purposes.

We offer the following options:

- Customized intensive courses: private or small group lessons focusing on the student's needs and the business language.
- In-company Spanish Lessons: program adapted for foreign professionals who need to learn Spanish in a personalized way within their company's facilities.

## DELE courses

The Spanish as a Foreign Language Certificate (DELE) certifies a degree of competence and proficiency in the Spanish language. The Cervantes Institute grants these certificates on behalf of the Ministry of Education and Science of Spain. Examinations are held three times a year within and outside of Spain. Oléolé offers DELE exam preparation courses for intermediate and advance levels to familiarize students with its structure and content. It includes 20 lessons per week from 3 to 5 weeks\*.

\*Exam fees are not included in the price of the courses

## Private lessons

Oléolé also offers private courses for students who want to improve their knowledge of Spanish individually with a flexible schedule. Customize the content of your lessons according to your needs and choose the schedule that suits you best.

## Summer courses

Come to Málaga and learn Spanish while having fun! Enjoy wonderful weather, beaches, museums, food and friendly people. In our summer courses of 2, 4 or 6 weeks you can immerse yourself in the Spanish culture through activities, excursions and more meanwhile learning Spanish! The minimum age to apply for this course is 16 (with parents authorization).

## Professional Experience in Málaga

If you want to live a professional experience in Málaga, we can offer an amazing opportunity! We can arrange to combine a Spanish course with an internship with a local company within our city.
