# Living the Spanish adventure

## Courses characteristics

Applicants will take a level placement test in order to determine their language level. Then the students will be placed in groups according to their age and knowledge.

Highly trained and qualified teachers specialized in teaching foreign languages to second acquisition learners.

45 minute classes.

12 students max/hour.

Certificate of completion of the course with the language level acquired during their stay, according to the CEFR.

During the courses, multiple activities and excursions will be organized. Students are free to attend any of them. Many of these excursions and activities will be offered for free to students.

Full board accommodation provided in host families, residence halls or apartment housing depending on the needs of the students.

### General Spanish Course

20 hours of lessons per week. Recommended for students of any level, from beginners to advanced. Perfect for those students who want to combine their learning experience with free time to visit the area, play sports and experience the Spanish culture.

### Adventure Summer

This summer course, which takes between two and four weeks, is designed for students between 12 and 17 years old. The students will have 20 hours of class per week. They will be accommodated in carefully selected host families. During their free time the students will enjoy the programmed outdoor activities, sports and field trips.

### Intensive Spanish Course

30 hours of lessons per week. Recommended for those students who need to improve or refresh their knowledge in a short period of time. Classes are carried out in a fast-paced manner in order to learn in a more efficient and productive way.

### Soccer Camps

Become a champion playing soccer and learning Spanish! These camps take place in the greatest facilities students can possibly look for and combine Spanish courses with everyday soccer technical training as well as outdoor activities and field trips.

### Executive Courses

This customized course is perfect for professionals or students who want to improve perfectly their language level in a particular field. In addition, topics and vocabulary of marketing finances and business will be covered. The program tries to recreate different situations that workers might encounter during their professional life.

### Professional Internships / Studentships

This program is designed for those students who want to acquire professional experience at the same time they practice a foreign language in a real business setup. This course is associated to a previous study program because the minimum level, for the proper completion of the internship / studentship, is a B2.

## Soria (Spain) An ideal place to study Spanish

Soria is located in the north-centre of the Iberian Peninsula. It belongs to Castilla y León and has a population of 40,000 people. Soria is a beautiful place along the shore of the river Douro and its mild temperatures in the summer make Soria a very pleasant site for outdoor activities. In addition, it is a culturally rich area with great examples of Romanic art, prehistoric paintings, historic buildings and beautiful landscapes.
