Welcome to our optional booklet for 2023-2024

We have created individual books for all of our regions, so if you are studying in England, Scotland, Vancouver, Toronto, Los Angeles, San Diego, or New York, you will find a much greater selection of entrances suggested to enhance your time with Oxford International.

As well as new attractions, we have some old favourites now offering something extra, whether private tours, temporary exhibitions or exclusive activities. Each page contains an overview of the destination, what the students will see and do, and what they get for their money. Please contact us with any questions. We strongly suggest that you book these optional excursions ahead of your trip to guarantee your places.

However, it is of course possible for you to book them with your Activity Manager when you arrive at the centre. Please note that this list is not exhaustive. If there is somewhere not listed here that your groups would like to see, please contact us and we will gladly price the excursion for you. We look forward to meeting you all soon and here's to a successful and enjoyable stay with Oxford International in the UK in 2023!

How to Book

The costs in this booklet are based on a group of 15 students and 1 group leader (free of charge). If your group is a different size, please ask the Admissions Team or your Regional Manager for an accurate quote. On most attractions groups can benefit from our trade rate discounts, which apply to groups of 15 or more people. If your group is less than 15 students, the cost may increase, but we will do our best to accommodate your requests at the best possible price.
