

Paradise English Boracay

Winter Camp (January 3—February 23, 2018)
Summer Camp (July 2—August 31, 2018)

CAMP PROGRAMS which run from 1 to 12 weeks are designed for students between ages 7-14 wanting to improve their English language skills while enjoying the summer or winter break in their countries. In addition to improving conversation skills, it will increase their vocabulary and enhance fluency. Class activities may include debates, guest speakers, forums, media (news clips, talk shows and interviews), contact assignments, class exchanges, oral presentations, problem solving activities, field trips and useful everyday phrases. Students are encouraged to participate actively in class.

After class students get to enjoy daily outdoor activities supervised by our teachers, which will let them practice their English with the local people and experience the wonders of Boracay and the Philippines through guided social activities.
