

Paradise English is a Canadian family owned ESL center located on the Island of Boracay in the Philippines. It was established in 2005 and has grown at a rapid pace since its inception. Students from over 50 countries have attended our programs and more continue to join us each year. We firmly believe that with our Canadian, British and North American teachers, we offer superior education to our students at a price lower than any other language school in Canada or the US, and at a higher level of education than any language school in the Philippines.

We are an accredited school with the *Bureau of Immigration, Association of Accredited Schools in the Philippines* and are affiliated with the *British Council and Ascentis*.

Paradise English proudly claims to be recipients of the 2013 Student's Choice Award by LanguageBookings.com and the Customer Satisfaction Excellence Award by LanguageCourse.net.

Studying on a tropical island with English as its lingua franca is unrivalled anywhere else in the world. The presence of a strong international community and a wide selection of interesting off-campus activities ably complements our thrust towards fun in learning in a location that was ranked the world's best island in 2012, and voted the world's best Asian beach in 2013.
