

PICCOLA UNIVERSITÀ ITALIANA

PER STRANIERI – TROPEA

Programme 2020

Catamaran Sailing Courses

(April to October)

Catamaran sailing is a very special way of sailing. Benefit of your holidays and combine your language vacation with a sailing course to discover the fascinating world of sailing.

Here you will get enthused by thrilling sensations and you will learn about the balance between the natural resource “ocean” and autonomic navigation.

Catamarans belong to the most comfortable and stable boats in its category. The sailing school disposes of a fleet of different Hobie Cats: 3x Hobie cat 13, 4x Hobie cat 15, 2x deriva (tipo laser) x14, 3x laser pico, 1x laser 16

The Sailing school is under German – French management and is one of the most professional schools in South Italy. Our partner has been operating in the area of Tropea since 20 years.

Each tuition unit is conducted under the surveillance of an experienced instructor and its assistants and is divided into a theoretical and a practical part, which will be performed in several escapes to the sea.

The content of lessons are composed of the base nomenclature, the corrected armament of the boat, the sailing points regarding the wind, the technical tacking. The teaching can be executed in Italian, English, German or French.

Included in the course fee are certainly sailing suits and life jackets.

The timetable of lessons will be agreed with the instructor according to weather conditions

The program „Italiano + Catamarano“ is tailor-made for all, who like to fully enjoy their holiday and like to benefit of every moment. It is the ideal connection of cultural education, Italian “dolce vita”, relaxation and to learn or put in practice this fascinating sport. Enjoy your vacation with all senses!

Our program also intends to provide the possibility to use only the windsurfing course. This combination is ideal for families with kids, couples or friends with different interests. While one is learning Italian, others can indulge in their preferred water sports.
