LANGUAGE LEVEL GUARANTEE

Before arrival students have to do an oral and written placement test online. Our programme follows the linguistic levels as defined by the Common European Framework of Reference for Languages (**A1, A2, B1, B2, C1, C2**), which is the basis for recognising linguistic competence. We also have 9 sub-levels in order to offer a total of 15 different levels for our students, all of which are designed to satisfy their individual needs.

REGULATION FOR CLASSICAL GROUP COURSES

In order to ensure an ideal learning experience, the number of students is limited to 8 per group. Each lesson lasts 55 minutes and each group has 4 hours of lessons daily: 2 hours of grammar and 2 hours of conversation with two different teachers.

Lesson = **55 minutes**

Group size = **max. 8 students**

If a group of at least 3 students at the same linguistic level cannot be formed, then this student will be placed in a 2 to 1 course or will receive private tuition with the number of lessons reduced by half. In this case, the course has 2 hours of daily lessons: 1 hour of grammar and 1 hour of conversation with the same teacher.

TEACHING METHOD

Our first-rate mother tongue instructors are certified for teaching Italian to foreigners and teach the language through the communicative method, using Italian as the language of instruction. This method favours the greatest possible development of the students' linguistic abilities.

Our didactic library is constantly updated with new materials. Alongside modern and professional Italian language textbooks, integrated with audio CDs, we also use literary texts, films, songs, magazines and newspapers during lessons.

School opening times:
9 am – 1 pm
2 pm – 6 pm
