**Vacation:** our school may be closing for a month in the event of no reservations. Possible months: June or July 2019.
HOW DO YOU ORGANIZE YOUR COURSES?
We follow the Common European Framework of Reference for Languages which gives us a general path of learning for all skills. We have developed our own curriculum to meet the needs of travellers and people who immerse themselves in Pichilemu, Chile and Latin America. Each teacher brings their own extra materials to complement this and to cater to the interests of each group.

HOW DO I KNOW IF YOU HAVE A COURSE FOR MY LEVEL?
We organize courses based on demand and availability. We have the small school advantage, so we personalize each course and class to meet the needs of our learners. If we can't find you a group or class your level, we provide you with private classes for the same price of group.

HOW DO I GET TO PICHILEMU FROM THE AIRPORT?
You can take a shuttle bus, shared van or private taxi from the airport to Santiago centro where you can choose from two bus terminals with services to Pichilemu through Melipilla. It is important to take the direct route through Melipilla because it only takes 3.5 to 4 hours. One bus option is Transantín which leaves from San Borja terminal (Estación Central subway station). They offer tickets online via recorrido.cl without the need to be printed. The other bus is Pullman del Sur and they leave from Terminal Alameda where one of the shuttle buses takes to you. They only sell tickets in person.

HOW FAR IS PICHILEMU FROM OTHER CITIES AND ATTRACTIONS?
Not far! A trip to Santiago is 3.5 to 4 hours. From Santiago, you can travel to Valparaiso and be there in about 2 hours. There are buses leaving every 1.5 to 2 hours for affordable rates. There are also several options to fly within Chile and see the dessert or Patagonia while completing your studies with us in Pichilemu. Read our student Scout's testimonial here.

WHY IS PICHILEMU A GOOD PLACE TO LEARN SPANISH?
Pichilemu is a quiet community with the perfect combination of city and countryside. It is relaxing, but has different activities going on so you can choose the type of experience you want to have.
