Spanish Language and Culture Courses

Taking a Spanish language course in a foreign country is an excellent investment in your future.

In no time at all you will be able to speak, read, write, and listen in this popular and growing language.

Guanajuato Capital

Guanajuato is considered one of the prettiest cities in the country, with extensive tourist and cultural offerings. It is recognized by UNESCO as World Heritage City. It is surrounded by mountains and is characterized by its small alleys or passageways and its magnificent terrain. It is located strategically in the center of the country and is well connected with other important cities. Guanajuato has many cultural offerings including concerts, performances, and museums.

Although certain precautions are always advised when traveling abroad, your safety will not be an issue in Guanajuato. The city prides itself on being one of the safest places in all of Mexico.

The Guanajuato International Airport is located close by, less than 20 minutes away by taxi.

The city attracts tourists from all over the world who enjoy walking through the streets, visiting the museums, and enjoying the rich culture of the city in general.

Guanajuato is home to various important artistic and cultural festivals throughout the year. These include international events, such as the Festival Internacional Cervantino, the Guanajuato International Film Festival, and the Coloquio Internacional Cervantino, and local events, such as Festival Medieval, where locals demonstrate medieval times, Dia de las Flores, Semana Santa, Expo Cerveza Artesanal, Fiestas de San Juan y Presa de la Olla, and Festival Cultural Universitario de la Universidad de Guanajuato.

Plateros Spanish School

The school is centrally located in the heart of historic Guanajuato. Within minutes, you will find cultural, historical, tourist, and commercial activities.

Plateros Spanish School was founded in 2010 and it was developed with modern and innovative approaches to teaching Spanish.

Along with experienced instructors, the school will take a charge of your learning experience while immersing you in Mexican culture.

We offer the highest quality in intensive Spanish courses.

On the first day we establish your level and needs with a written test and an interview, and place you in the best class according to your level.

Our School provides courses designed for students to learn quickly and easily in a relaxed friendly atmosphere.

All classes start on Monday (Tuesday when Monday is a National Holiday) for all levels. All year-round.

Our communicative teaching method focuses on the four skills of speaking, listening, reading and writing.

Courses are structured based on different levels of knowledge and ability.

We also offer tailor-made courses and a personalized approach.

Each Spanish class has a maximum of 5 students.

Group, private or semi-private lessons.

Experienced, qualified, and knowledgeable instructors.

Flexible schedules: morning, afternoon, and evening classes.

Possibility of continuing your studies online when back home or anywhere else in the world.

Our **Spanish** language **classes** focus on **communication**, **grammar**, and **culture**, with a heavy emphasis on student **participation**.

Professionalism and experience

Our program primarily focuses on the area of communicative competence, and has been specifically designed to support students and to eliminate the barriers involved in learning the Spanish language. We strive to help students feel comfortable in their surroundings. For that reason, our objective is that from the very first day you will be able to communicate in everyday situations.

Our dynamic and flexible native teachers are a dedicated team of highly qualified and experienced instructors of Spanish as a foreign language. Our teachers have been carefully selected according to their academic qualifications, experience, and personality.

The classes combine a mixture of grammar, vocabulary, reading, writing, pronunciation, culture, and various other aspects of learning, depending on the class level.

At Plateros, we like to use a variety of teaching methodologies in order to best match each student's learning style and needs.

Lessons

Group Size

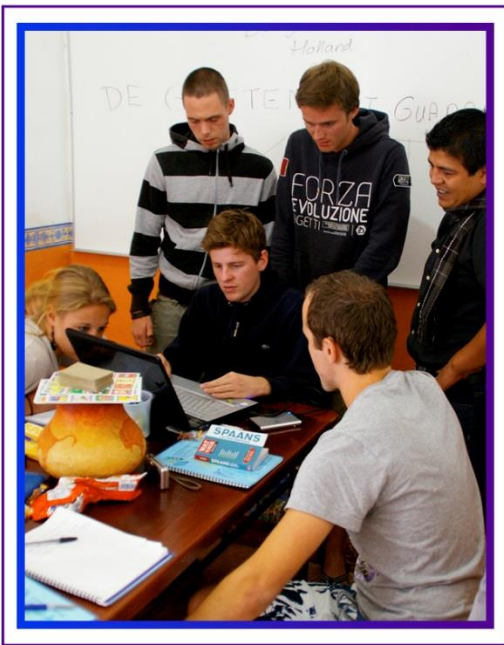

Each Spanish class has a maximum of 5 students. This class size assures that each student receives the individual attention they need. Additionally, the smaller class sizes allow for better group interaction.

If there is no group at students level, group classes may be substituted for tutor classes with fewer hours per week.

Levels

At Plateros Spanish School all of our programs are aligned with and based on the Common European Framework on Reference for Languages (Levels: A1, A2, B1, B2, C1, C2).

All courses include:

- ✓ Learning materials (we use the most up-to-date teaching material and also a selection of more organic materials such as literature, art, news publications, etc)
- ✓ Orientation package
- ✓ Placement test
- ✓ Certificate
- ✓ Weekly evaluations
- ✓ Every week, the school offers a wide range of activities to practice your Spanish (lectures, weekly conversational hour, movies shown in Spanish and much more)

These courses are designed specifically according to the needs of the student. There are a variety of different classes and options to choose from. Classes are designed to improve accuracy and fluency. These classes help you make rapid progress with your Spanish.

Intensive Group courses are offered at all levels from complete beginners to very advanced. The average number of students per group is 3 and the maximum number is 5. Students may enroll for as many weeks as they like.

These courses focus on improving your communication skills, listening, comprehension, conversation, grammar, vocabulary, reading and pronunciation.

These courses are for those that only have a specific time frame to learn Spanish and need to perfect certain parts of the language. For example, if you are moving to another country or starting a new job and need to learn certain aspects of the language that relate to those areas, these courses are for you!

The Immersion PLUS program is the most intensive form of instruction a student can receive at Plateros. The Immersion PLUS program consists solely of private one-on-one classes, which will allow the students and teacher to focus on particular areas that the student finds to be the most challenging; and includes a daily lunch with your teacher at nearby restaurants.
