## About the Campus

Miami Shores is a village in central Miami, Florida, USA. The town is full of colourful Mediterranean and Spanish Colonial Revival Style houses surrounded by gardens. Miami Shores has a small downtown area antique shops and coffee houses, but mostly has a large shopping plaza with department stores. Downtown Miami is only about 8 miles away, and 10 minutes to the Famous South Beach. Public transportation is available in bus lines that connect the beach areas, and Miami city centre.

The Plus Campus is situated at Barry University in Miami Shores. It is a secure campus surrounded by many modern buildings. The campus has a typical tropical design with Palms across the campus and sports facilities such as football pitches and tennis courts. The swimming pool is located just in front of the dorms and can be used daily by our students.
