# Accommodation

Melbourne offers a wide variety of choices for international student accommodation ranging from Student Residences to Homestay with families.

Student Residences are a good option if you wish to stay in a fun environment and are located in areas adjacent to the city centre like South Yarra, Carlton, Richmond, etc. There is easy access to public transport like trams and trains from these areas. You have the choice of individual rooms, or shared rooms with one or more persons.

Homestay with an Australian family allows you to experience the Australian way of life first hand and immerse yourself in English with native English speakers. Generally, the minimum time requirement for a homestay period is 4 weeks.
