Please note_

- Rolling Korea offers two room types: Single and Twin
- The basic accommodation type included in Rolling Korea's package is Mini Studio Single Room. All single rooms in the Mini Studio have a private bathroom.
- Rolling Korea offers a variety of accommodations in Seoul. Additional charges are categorized into ranges from G1 to G4, depending on whether the room is a single or twin and its size. Consequently, even within the same range, the location, internal structure, and facilities may vary depending on the accommodation.
- Twin rooms can only be booked on a monthly basis and students are allocated based on availability in either share houses or residences. If students prefer not to share living spaces, we recommend choosing a single room.
