

Long-term college preparation course tuition fees

Period	Tuition fee	Maintenance charge	Total
1.6 year	840,000	90,000	930,000
2 years	1,120,000	120,000	1,240,000

We charge our students JPY 50,000 as enrollment fee, which is not included in tuition fee. Also, we have enrollment support charge (JPY 20,000), which includes meeting new student at the airport, registration in municipal office, issuing health insurance card, opening an account in Japanese Post Bank.

We are splitting tuition fees in 6-months periods (with a start in April and December). After issuing the COE we require our students to pay 6-months tuition fee with maintenance charge and other extras. Every next payment must be made in August (December period) and January (April period).

The total amount student must pay after issuing COE:

	Enrollment fee	Enrollment support charge	Tuition fee for 6 months	Maintenance charge for 6 months	Total
Amount to be payed before enrollment	50,000	20,000	280,000	30,000	380,000

Costs to be payed for the next 6 months

	Tuition fee	Maintenance charge	Total
6-months course	280,000	30,000	310,000

Dormitory fee

We require our students to pay dormitory rent for the first 6 months + deposit (JPY 50,000)

1-month rent	22,000
Dormitory entry fee (6-months' rent + deposit)	182,000
