

SHORT-TERM COURSES

IN SAKITAMA INTERNATIONAL ACADEMY

MAIN GOAL of our short-term courses is to help the student to accommodate to the real-time Japanese, used by native speaker, and to improve speaking skills. That's why the main exercises and tasks are aimed to broaden an active vocabulary and grammar usage ability of the students.

Applications can be sent during the whole year.

Procedure of application: to take a short-term course the Applicant will need to apply for short-term visa. After accepting the application and personal history and passing the interview, the School will decide on accepting the Applicant. Passed Applicants will receive School Entry Permit, basing on which short-term visa can be issued. After receiving School Entry Permit the Applicant must apply for short-term Visa to Embassy of Japan in his/her country. After issuing the visa, please proceed your departure to Japan.
