# WELCOME TO SAMIAD

# CONTENTS

**We are looking forward to welcoming everyone back to our Samiad campuses in 2023.**

Once again, we welcomed hundreds of students to our wonderful UK boarding school campuses in July / August 2022, with participants from over 80 countries enjoying our award-nominated summer programs.

Over the last 2 years, we have also added several non-summer related products under the Samiad umbrella.

We now assist independent schools with their Exeat, half-term and pre-school provision, and at Tudor School Online we now have over 100 teachers teaching nearly 1,000 students 1-2-1 English lessons every week!

This July and August, alongside specialisms including horse-riding, performing arts, tennis and golf, Samiad will continue its partnership with Paris Saint Germain Academy to host their football coaches at Box Hill School.

## **NEW! Robotics specialism programme**

For 2023, we have also added an exciting English + Robotics program to our Wells Cathedral School campus!

We can't wait to see you all again for our 9th summer!

**Phil and Alex - Founders / Owners**

## ABOUT US

**Ever since Samiad was founded, back in 2013, we have enjoyed a growing reputation for offering young learners an opportunity to improve their English in an immersive, engaging, and fun environment!**

Our carefully selected summer school campuses, across the UK, give students the chance to enjoy the rich and varied history of the United Kingdom. We have a range of diverse excursions around some of the UK's best attractions.

For 2023 we will continue to offer our award nominated multi-activity programmes, alongside popular specialisms including Golf, Tennis, Intensive English, Performing Arts, Robotics & Coding, and Horse Riding!

Our sites offer a mixture of great facilities and state-of-the-art accommodation, and we pride ourselves on creating an inventive activity schedule, with problem solving challenges, murder mystery evenings, and all out Nerf wars alongside traditional team sports.

Due to overwhelming popularity, we will be continuing to offer our year-round mini-stay programmes, for closed groups, offering you a bespoke and personalised stay to suit your exact needs.

**To date, Samiad has welcomed over 5000 students from over 80 countries... What are you doing this summer?**

**SAMIAD EXCLUSIVE**

## OVERNIGHT STAY! WARWICK CASTLE ADVENTURE

**The highlight of any Samiad programme continues to be our flagship overnight excursion to Britain's most popular medieval experience; Warwick Castle!**

Each summer, Samiad takes over the luxury Glamping Village within the grounds of Warwick Castle. Here, we explore one of the UK's largest and best preserved castles, housed for the night in medieval tents boasting 21st century comfort. There are a whole host of shows and attractions, from the firing of the Mighty Trebuchet, the largest remaining medieval siege weapon in the world, to live jousting as the houses of York and Lancashire go head to head in the War of Roses! Our students also have the opportunity to try their hand at sword fighting, archery and even experience what life was like in the torturous dungeons! Dinner and breakfast are both served to our students in the grand banqueting hall, offering a taste of traditional British food while Knights and Princesses wander the hall providing a memorable show! Every Samiad student joining us at Trent College or Box Hill School, for two weeks or more, will enjoy this fantastic and once-in-a-lifetime experience included as part of their course!

# ONLINE ENGLISH BY TUDOR SCHOOL

**We are continuing to offer online courses through our sister-company, Tudor School.**

1-2-1 or group courses are offered in English, maths or science and are delivered by a team of highly qualified, native speaking English teachers.

Whilst these courses are available all-year-round, students joining our summer school programmes have a fantastic opportunity to enjoy discounted rates for their online English courses.

A Tudor School pre-summer course is great for meeting some of our teachers and improving student's English to get a head start before arrival in the summer. Alternatively, a post-summer course can be used for students to continue their English language journey with us after returning home!

**A 25% discount is offered to all our summer school students booking a 2-week course. You can find out more about Tudor School and their academic online courses here - [Tudorschool.com](https://www.tudorschool.com)**
