At the heart of Italy

YOU CAN BE ANYWHERE IN NO TIME

The town is situated in a **strategic** position close to the sea and the magnificent mountains.

The area surrounding Ravenna also offer an incredible variety of natural scenery: salt lagoons and canals lined with the typical local fishing nets, swamped forests and hills that gently roll towards adjacent Tuscany.

Major artistic cities, such as Bologna, Ferrara are at approx one hour from here, and Rome is reached in max two hours. And even the eternal city Rome is only about four hours away.
