

Our School's philosophy is that you need to be completely immersed in the foreign language to learn it. So, the leisure activities we organise for our students are a substantial and integral part of our teaching programmes.

Every week we promote a wide range of leisure activities in order to integrate the students as much as possible. Some of them:

- Cultural seminars, such as: Italian Art, Mosaic, Italian Cinema, Music, etc;
- Italian movies at the School, using a wide screen HD 50" monitor;
- "Aperitivo Happy-Hour": in elegant bars or under the trees in the garden;
- pizza in the open air at a restaurant at the seaside;
- dinners in a typical "Romagnola trattoria";
- wine tasting with theory and explanations, sampling typical Italian "delicatessen";
- cookery lessons: during the lesson the students prepare and cook a complete menu;
- mosaic practical lesson, at an authentic laboratory;
- horseback trail ride in the countryside with a professional guide;
- bird watching to the parks and nature reserves close to the town
- a wide variety of beach sports.

City tours / Excursions

We organise regularly guided tours of Ravenna. Due to Ravenna's priceless works of art, including eight monuments registered on the World Heritage List of Unesco, we offer 4 different tours, 3 hours each, with a professional tourist guide.

Excursions to the historical fishing villages of Cervia, Cesenatico, Comacchio.

Full day trips to the masterpiece locations normally during the week end: Firenze, Venezia, Ferrara, Bologna.
