

SEE Academy is an English Communicative skills training institute catering to people who want to develop their English and communication skills. Our programs are also structured to enhance their confidence, public speaking, presentations, business English, email drafting and group discussion skills.

Established in January 2009, we have a dedicated team of more than 15 Cambridge university trained professionals.

We have by now trained more than 1000 students in English communicative skills.

We are professionals in the field of training and development with result oriented programs.

We use innovative and meticulously designed technical methods to help the students to grasp the language in an easy manner.
