SKOLA SERVICES: ACCOMMODATION, CAR SERVICE AND AIRPORT TRANSFERS

In many ways where you stay and how you get to school is as important as which course you choose.

Our students over 12 years old who stay with a homestay never stop practising their English. Students usually request their own room, unless travelling with a sibling or friend where a twin is available. Breakfast and dinner is with the host who often plans a trip at the weekend with the student.

Students under 14 must use our home-to-school car service available within a 4 mile radius of the school. (see map). Students 14 and over can also book this.

Unaccompanied minors over 12 can also choose our meet and greet and assisted check-in service at the airport. It allows for a smooth transition for students who are often travelling alone for the first time.

Regent's Park

Summer School in London
for 10-17 year olds

SKOLA SUMMER SCHOOL

SKOLA has developed a very special summer programme for children and teenagers. Our carefully selected teachers are ready to help your child take their English to the next level. Our activity leaders also make sure they have a great time too.

Each week has a theme which links the various elements in the week together. For example: THE NATURAL WORLD has Discover London visits to the Sealife Centre or the Natural History Museum. Students prepare for the visit in class. There is a follow-up in class and further lesson time is spent preparing a theme-related presentation at the Friday party. SKOLA Regent's Park also offers two afternoons of sports with qualified coaches.

WHAT DO PARENTS SAY?

"We keep coming back to SKOLA because of Greta's progress. She is much more confident in English. Her knowledge is enhancing each year, and she's really very, very happy."
