OUR STORY

From the warm welcome you receive when you walk through our doors, to the lasting friendships you take home with you, Sol Camps creates an English experience unlike any classroom you've ever been in before.

UNFORGETTABLE MEMORIES

The moments we share, the bonds we form by exploring our world together, and the common ground that we share in learning and using English, set our program apart. Many of our campers come back year after year to continue the adventure.

Sol Camps strives to engage our campers both in the classroom and outside on adventures. We want our campers to be immersed in English, exploring our cities and learning by engaging with the world around them.
