

SLC is the Spanish language school for adults based in Marbella, founded in 1999 by *International Au Pairs & Language Abroad Organization (IA&LA)*. Since then, this is a centre of excellent prestige in the language-learning world.

IA&LA started in 1988, and it is the oldest one and currently, one of the most important agencies offering language courses and work experience worldwide for Spaniards.

Our school is specialised in teaching Spanish as a foreign language, it is accredited by **Instituto Cervantes**, and is also a member of **CSN** (*Central Committee of Financial Aid for Students*)

Located in one of the most emblematic and commercial areas of Marbella, our school is situated in the heart of the city, 5 minutes' walk from the beach, and the beautiful old town, and easily accessible by bus.

SLC is situated in a 3 storey building. One amazing part of the building is the sun terrace of 1.000 m2 with wonderful views to the whole city and the sea, where students can also take their Spanish lessons, especially in summer.

We offer 8 bright classrooms, (with a maximum of 10 students per class, an average of 3 to 6), a very large reception room, which contains a snack and refreshment machine, a multimedia room, equipped with tablets and computers. Furthermore, there is an audio-visual room to watch films which includes a library. All the rooms are decorated in a Spanish style, fitted with learning tools and air conditioning (hot and cold) in order to make the students stay as pleasant as possible.
