Student Visa Fees

2023

Visa fees are set by the UAE government and are subject to change. New visa types were introduced late 2022. We will update our partners regarding the new rules when we get the full details of the visa rules.

Visa length

3-months Single Entry Student Visa - Processed Outside the UAE	US\$410
3 months Single Entry Student Visa - Processed Inside the UAE	US\$880
6 months Single Entry Student Visa - Processed Outside the UAE	US\$750
6 months Single Entry Student Visa - Processed Inside the UAE	US\$1220

Visa processing time is approximately 12 working days

Rejected visa applications will incur costs related to the application process.

For more information regarding student visas, please refer to our *Agency Enrolment Guide*.

In order to keep visa costs as low as possible, the options above may include a combination of both student visas, and tourist visas. Please note that there is no difference between the two other than what is written on the 'entry permit', and that both visas grant the same rights to students. However, if it is essential that the student be granted a 'student visa' only, the maximum duration is 6 months. Please enquire for more details and pricing.
