WHAT ALL OF US WILL BE PAYING ATTENTION TO.

New rules for your language travel

It is clear that the pandemic will and has changed our lives. SPRACHCAFFE is aware of this situation and is acting accordingly. Nevertheless, we are convinced that your language stay during these challenging conditions will provide an unforgettable and valuable learning experience. Let us therefore begin with some good news: After the long travel ban it is now possible to travel to other countries, to broaden your horizon and learn an exciting language from the beginning. Our schools at the different locations have adapted to the new circumstances with all necessary determination. To provide the best possible journey, rules and regulations will of course apply, before and during your stay.

Distance and hygiene

These are the key factors during your stay. For your own safety and that of your classmates, please kindly respect the hygiene and distancing rules of your host country. We will send you all necessary information prior to the start of your travels. We strongly recommend you to contact your insurance provider before your trip to inquire about additional insurance if necessary.

Activities

Any language trip should also be a fun experience whilst getting to meet others. We strictly obey the rules of the host countries and do our best to provide countless and carefree experiences. Daily temperature checks might be required.

Before departure

We cannot stress this enough: Safety is also important to SPRACHCAFFE. For this reason, we may ask you to confirm the following (for minors, parents will have to sign):

- at the time of departure and 14 days before travelling, no symptoms are present
- during the last 14 days, there was no contact with potentially infected people to the best of our knowledge
- sanctions are accepted, if you don't follow the rules
- if available, a Corona-tracing app to be installed.

Flight and transfer

In accordance with airline restrictions, we ask you to wear a mask and maintain the necessary distance in the airport during check-in and check-out. Incoming students should not be in contact with departing students. Should symptoms occur, we claim the right to send the student back home immediately.

Accommodation

Whilst at your accommodation we expect you to keep the minimum distance. Community kitchens might not be available. Cups, plates and cutlery should thoroughly be cleaned immediately after use and stored in your rooms. Bathrooms and common areas will be cleaned more frequently and thoroughly disinfected.

Catering

Meal procedures and guidelines might change. We provide alternatives to open buffets and once again distancing will be an important factor whilst eating in common areas. All of our kitchen staff members (where applicable) are trained and work in line with the regular and local hygiene protocols.

Classroom

It is mandatory to open the windows frequently. There will be limitations to the class sizes, with lessons also being held outdoors (where possible). Wearing a mask is recommended for all events. If any symptoms appear, the student will be kept away from classes, until a complete recovery is medically guaranteed. This applies to students and staff alike!

Live teaching

Naturally, we would like your learning experience to be as efficient and successful as possible and prefer the "Live-teaching" method. Depending on the current regulations on site, you should also think about the online possibility by bringing a laptop or a tablet. Tables, chairs, door handles, light switches etc. – the classrooms are cleaned and disinfected after each block of lessons.

To provide you with even more security, we are always up to date with the latest hygiene protocols in the respective countries, and can thus react as quickly as possible.

LEARN AND EXPERIENCE TOGETHER.

The time needed to achieve your aims will also vary according to individual skills, age and prior language exposure, amongst other factors. Although it is normal to spend 12 weeks at a level, it is sometimes possible to advance to the next level after 8 weeks of study. Policies regarding this vary from school to school.

LANGUAGE FAMILY PACKAGE.

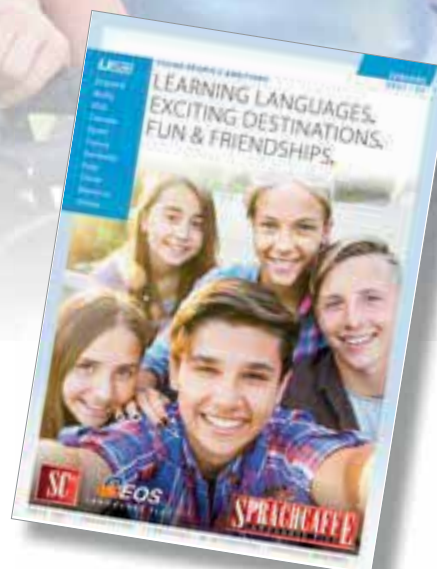

Trips for the whole family!

Are you, planning a summer holiday with your children?

Why not learn a new language together?

Our family package gives you and your children (minimum age 12 years) the chance to spend an amazing holiday. In class the teens make a lot of international friends of the same age. At the same time you, can focus on networking with adult classmates from around the world or discussing business related topics.

In the afternoon there is plenty of time to either participate in the language school's activities or to spend some family time exploring your holiday destination.

Choose a programme for your children from this brochure and ask us about your options as parents. Both solutions are available: accommodations either in the same or in separated rooms with your child.
