ENGLISH FOR PROFESSIONALS

BEFORE YOUR COURSE

When you book a Platinum Course at St Giles, we will send you an online pre-course questionnaire to find out what you need and want from your time with us and to help us to design the right programme for you. We adapt group courses to balance the needs of all clients in the class, whilst one-to-one lessons can be tailored specifically for you.

DURING YOUR COURSE

Our programmes are designed to meet a range of needs and objectives, but they will commonly include:

- **Meetings –** communicating more effectively in meetings and workshops
- **Negotiations** – selling, promotion, persuasion
- **Presentations** – presenting for internal and external customers
- **Social Situations** – using the telephone, socialising, networking and communicating at work
- **Written communication** – reporting, writing formal letters and emails

You will have the chance to discuss the programme with your trainer so that you have input into its design and content. This is to ensure that you are meeting your objectives, whether linguistic or skills based.

AFTER YOUR COURSE

Upon completing your training, you will be awarded a St Giles Certificate of Studies, a report upon request and our personalised recommendations for your further study.
