ABOUT TAMWOOD

GIVING YOUR KIDS AN ADVANTAGE

Tamwood Camps are not just a vacation; they're fun with the purpose of improving your child's future.

Sending your child to Tamwood Camps opens new doors for them academically, socially and personally. In teaching them to speak English, helping them discover what their true passions and goals are, supporting them as they build positive character traits, connections, self-confidence and self-esteem. Tamwood Camps gives your child an advantage in life and memories to last a lifetime. The skills your child gains at Tamwood will help them make their dreams come true.

AGES AND NATIONALITIES

Campers are divided into three age groups for all activities and classes: Juniors, ages 7-10; Youth, ages 11-14 and Teens, ages 15-17 (18 in winter). Campers come from over 30 countries every summer including: Argentina, Austria, Dominican Republic, Belgium, Brazil, Canada, Chile, China, Colombia, Czech Republic, Egypt, France, Germany, Hong Kong, India, Italy, Japan, Korea, Latvia, Mexico, Peru, Russia, Saudi Arabia, Spain, Switzerland, Taiwan, Turkey, Thailand, UAE, USA, Ukraine, Venezuela, and Vietnam.

MEALS & SPECIAL DIETS

Campers living in residence enjoy 3 meals and an evening snack every day. Meals are served buffet style at most locations and campers can choose what they like. Vegetarian options are always available and other special diets can be accommodated with advance notice. Campers in our homestay program have breakfast and dinner with their homestay families and enjoy lunch at camp.

AIRPORT TRANSFERS

Campers are met at the airport by Tamwood staff and taken by bus to the campus. Transfers are provided free of charge for campers arriving and departing on Sundays between 8:00 and 20:00. Airport transfers are provided at the following airports: Los Angeles: Los Angeles International Airport (LAX), Boston: Logan International Airport (BOS), New York: John F. Kennedy International Airport, San Francisco: San Francisco International Airport (SFO) and San Jose International Airport (SJC), Vancouver & Whistler: Vancouver International Airport (YVR), Toronto:

Toronto Pearson International Airport (YYZ), Montreal: Pierre Elliott Trudeau International Airport (YUL).

STAFF

Our staff are hired from across Canada and the world, on the basis of their values, skills, and genuine love for children. Our unique and careful interview process allows us to identify candidates who have the intelligence, compassion, skills and motivation to be successful at camp. Every staff member, whether new or returning, arrives at camp early and has an extensive training period before your child arrives. All staff is committed to making a difference in your child's life.

CARE AND SAFETY

At Tamwood we treat our campers like family and the safety of all campers and staff is top priority. Our carefully designed policies and procedures ensure that all activities are carried out safely and equipment is checked regularly to ensure that it is in top shape.

We work extra hard to make sure your child makes friends and feels connected and cared for from the day they arrive. With a high number of staff we ensure all our campers are well supervised, supported, connected and cared for from the day they arrive. Parents can sleep easy knowing their child is having fun and is well looked after.

PROGRAM OPTIONS

Tamwood brings out the best in its campers through its innovative and experiential learning programs that target students' unique learning needs and interests.

BRIGHT CHEF

AGES: 11-17

This one-of-a-kind program is designed to offer integrated learning opportunities for youth aged 15 to 17 and focused on providing a safe, inspiring, and empowering space for youth to identify, develop and refine their creativity and senses. Through joy, mindfulness and learning we are creating a foundation for a healthy camper through responsible eating choices: from scratch to consumption.

Students take part in 15 lessons per week in cooking, health and nutrition. Through these hands-on learning and discovery classes, students are provided with direct experiences that enable them to integrate their learning into the wider world and to make personal connections with different ingredients.

CAMPERS WILL:

The Bright Chef Program focus on ingredients and techniques and teaches the fundamentals and basics to equip them with skills for life. Students will make their meals together, set their own place setting, and eat together when everything is ready. Then they will clean their stations and make sure they leave the kitchen tidy. This class will teach them how to make fabulous fare on their own! They will also develop other skills like:

- Improve oral and written communication language skills with a focus on English for post-secondary studies
- Gain leadership and teamwork skills in an interactive and challenging environment
- Make new international friends and develop cross-cultural communication skills for global future
- Further critical thinking and setting of measurable goals
- Enhance self-esteem, independence and sense of responsibility
- Experience the North American culture firsthand
- Have an amazing international experience!

SOCIAL IMPACT PROJECT

AGES: 15-17

Now more than ever it's vital that teens gain a better understanding of the local and global communities and their place in them. This program helps guide students to make informed, meaningful decisions and encourages them to care more for the future of our communities. The Social Responsibility Project is a Tamwood designed program, based at Tamwood Vancouver designed to offer integrated learning opportunities for youth aged 15 to 17.

The Social Responsibility program is intended to share with youth how everyone can take part to make this a better world. The program will take a closer look at the United Nations Sustainable Development Goals (SDGs), and see how these issues affect Canada and their country.

CAMPERS WILL:

This program is the perfect way for teenagers to expand their worldview and help others at the same time. The program combines a call to action and language immersion. We will incorporate discovery learning for our students that involves personal reflection, practical skills, and social engagement to offer a truly enriching experience.

- Improve oral and written communication language skills with a focus on English for post-secondary studies
- Gain leadership and teamwork skills in an interactive and challenging environment
- Make new international friends and develop cross-cultural communication skills for global future
- Further critical thinking and setting of measurable goals
- Enhance self-esteem, independence and sense of responsibility
- Experience the North American culture firsthand
- Have an amazing international experience!

LOCATIONS: Vancouver

ENGLISH LEVEL: Low-Intermediate to Advanced

SKILL LEVEL: No skills required but students should be healthy, active and enjoy the outdoors.

FUTURE OF WORK: ENTREPRENEURSHIP AND CAREER PLANNING CAMP

AGES: 13-17

The world of work is rapidly changing; in fact, many of the jobs our children will hold in the future do not exist yet. Join a group of teens from around the world who, like you, want to get a step ahead in learning about the world of work and the industries that are leading in creativity and innovation. Meet with business owners and executives to hear their success stories and receive support from our skilled staff as you start to plan your own.

Students participate in lectures workshops, seminars, group discussions and workplace visits to learn and/or be provided:

CAMP INCLUDES:

- Professional instruction in career planning
- Weekly visits to businesses and industry professionals
- Visits to universities and colleges offering training in new career fields
- Fun and Educational Cultural Events, Sightseeing and Social Activities
- An introduction to entrepreneurship, through an experiential business startup project, where students will have a fun and friendly competition - having to think creatively and problem-solve, using real-world techniques and solutions

LOCATION: Vancouver

ENGLISH LEVEL: Intermediate to Advanced

SKILL LEVEL: No skills or education required

- How to identify and define core values and personal mission and purpose.
- What skills they'll need to be successful in the workplace of the future.
- The top 25 careers of the future and the educational pathways and skills needed to attain careers in these fields
- An introduction to entrepreneurship, what it means to have an entrepreneurial mindset, and how that can be applied even if you don't own your own business
- How traditional businesses in all sectors will be affected by new technologies
- Learn about alternative career fields such as VR/AR, AI, Robotics, Film, Animation/Game Design, Programming, Software as a Service, Health and Medical Tech, Agritech and Bioenergy.
- About the importance of sustainability and social enterprise, and how it can be applied to create an impact based business
- Leadership skills and the importance of personal leadership and responsibility

Campers become "global citizens" who have an international understanding about the world of business, strengthened academic English and communication skills, as well as strong core values to guide them in their future business and personal endeavors.

ENGLISH/FRENCH CURRICULUM AND TEACHERS

English and French Curriculum for: English and Activities Camp for Youth and Juniors, Teen Global Learner Camp, French and Activity Camp, Teen French Global Learner Camp Winter Teen English and Activity Camp, Family English and Activity Camp, Closed Group Study Tours.

JUNIOR AND YOUTH, AGES 7-10 & 11-14

Campers take part in a General English/French course – 20 lessons (45 minutes each) per week. Campers improve their language skills through interactive lessons that focus on the key areas: speaking, listening, reading and writing through direct instruction, role plays, group and individual work, fun activities and integrated technology. A strong focus is placed on speech and using the language confidently and fluently.

TEENS, AGES 15-17

Teen campers follow a General English program – 20 lessons (45 minutes each) per week. Teens develop their English/French fluency and written English/French skills with a focus on English/French for post-secondary studies. Teens learn through a project-based curriculum that also enhances their skills in collaboration, leadership and responsibility and their knowledge of internationally themed real-world issues.

MEET OUR TEACHERS

The English and French teachers at our camps are more than ordinary teachers – they are youth-orientated, fun and inspiring. Besides having a university degree and certification to teach English and French, they also have experience working with children, teens and adults and know how to engage and challenge growing young minds.
