

TEEN GLOBAL LEARNER CAMP

AGES: 13-17

With the guidance of our skilled staff and coaches, your teen will learn new skills, expand existing abilities, discover their talents, and forever transform themselves into more culturally and socially perceptive young adults.

Tamwood's unique cross-cultural approach links the core subject of English to technology, leadership, the arts, sports, and outdoor education. The Tamwood Teen Global Learner Program provides teenaged campers with a rich educational experience through English language classes, cross-cultural living arrangements, leadership training and personal reflection.

Campers become "global citizens" who have an international understanding and perspective, stronger academic English and communication skills, as well as core life skills and competencies that will help them to happily succeed in life, wherever they find themselves in the future.

TEEN GLOBAL LEARNERS WILL ACHIEVE:

- Improved English fluency and written English skills, with a focus on English for post-secondary studies
- Leadership and teamwork skills
- Cross-cultural communication skills for their global future
- Enhanced self-esteem and personal responsibility
- Critical thinking and setting measurable goals

CAMP INCLUDES:

- 20 lessons per week of English Instruction and Learning (1 lesson = 45 min)
- Leadership Skills Programming and Activities
- Fun and Educational Cultural Events, Sightseeing and Social Activities
- Organized instruction in a range of sports, movement, technology, creative, adventure and cultural activities
