

Discover Cologne!

Cologne is the oldest of Germany's big cities. More than 2000 years of history have left their mark on Cologne. And it is not only Cologne's famous cathedral – a gothic masterpiece – which bears testimony to times gone by. Numerous buildings, sculptures and gardens provide a vivid impression of the old Cologne.

Today, Cologne is a modern, lively and cosmopolitan city: a hub of trade fairs, a university town and, with its many radio and TV production companies, the unquestionable media capital of Germany.

I took a 6-week language course at the Tandem school in Cologne, Germany. It was a fabulous experience and I had a great time there. The Cologne Tandem school is very good. The teachers are dedicated and the lessons are well organised. In the school office the people are also very helpful, and what's cool is that they can explain everything to you in your mother tongue if you don't understand.

A group of approximately 15 people are posing for a photo. They are wearing various costumes and accessories, including Santa hats, devil horns, a 'HOT' shirt, a pirate hat, a cowboy hat, and a green wig. The group is arranged in two rows, with some people standing and others kneeling or sitting in the front. The background is a plain, light-colored wall.
