

We want our learners to benefit from our immersive approach to learning by using their language skills outside the classroom long after their

lessons have finished.

USE OUR CULTURAL & SOCIAL PROGRAMME TO:

- **Experience the best of London while mastering** your English skills
- Upto 5 hours of teacher-led activities each week
- Have fun with new friends and learn at the same time
- Student-led groups and activities
- Accelerate your progress and make lifelong memories
- Weekend & overnight trips
