Why study a Foundation course?

This course will prepare you for the challenges of degree study and help you to develop the skills and knowledge you need to succeed at university and beyond. Once you complete the programme and achieve the required grades, you can enter the first year of your undergraduate degree at the University.

Teaching and assessment

You will be taught in small classes by experienced and supportive academics who are experts in university preparation. Your progress will be monitored throughout the course to ensure you are on track with your studies.

Entry Requirement: Applicants must have an English language level of CEFR B1 and have successfully completed high school examinations or equivalent.

English Language Preparation

If you require additional language training before you start your International Foundation Year, you can join our English Language Preparation programme, taught at ISE Ireland.

Guaranteed University Placement: Students who successfully complete Foundation & IELTS are guaranteed a place into Institute of Technology Carlow & UK universities. A conditional offer letter will be issued prior to admission at the International School Of English.
