GENERAL ENGLISH

LEVELS: 1 - 8

Based on an integrated skill curriculum, morning classes will teach you specific strategies to improve your English. Afternoon elective courses will reinforce your core language skills: reading, writing, listening and speaking. Eight language benchmark levels accommodate student progression from a beginner learner with little English skill to advanced language proficiency.

LEVEL 1 - 2 (BEGINNER - HIGH BEGINNER)

You will build understanding of the basic grammar, vocabulary, and functions of English. The courses provide a foundation in the English structure with all four skills (speaking, listening, reading, and writing).

LEVEL 5 - 6 (HIGH INTERMEDIATE)

The courses emphasize the integration of reading, listening, speaking, vocabulary and grammar-building skills. Subject matter is carefully selected so that students learn new concepts and encounter new perspectives aimed at improving critical thinking skills.

LEVEL 3 - 4 (PRE-INTERMEDIATE)

Upon building a foundation in the structure of English, the courses include topics that will lead to lively communication in the class.

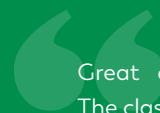

LEVEL 7 - 8 (ADVANCED)

The courses also emphasize the integration of reading, listening, speaking, vocabulary and grammar-building skills. You will develop academic English necessary to perform successfully within a post-secondary setting.

WHY STUDY THIS COURSE:

- » Build understanding of the basic grammar, vocabulary and functions of English
- » Gain confidence in all areas of English
- » Develop your fluency in everyday situations
- » Prepare to enter into other specialized courses

Great classmates and awesome teachers. The classes were quite dynamic and enjoyable. Besides the morning classes, I also had digital communication elective classes. I no longer translate in my head before I speak; English comes out very naturally!
